- "Mujhe abhi decide nahi karna"
- Physical space lo agar zaroorat ho

STEP 2: IDENTIFY (Pehchano)

- "Kya mujhe uncomfortable feel ho raha hai?"
- "Kya urgency artificial hai?"
- "Kya guilt/fear use ho raha hai?"
- "Kya yeh actually meri responsibility hai?"

STEP 3: ANALYZE (Socho)

- "Agar emotions hata doon, toh logically kya sahi hai?"
- "Mera kya fayda/nuksan?"
- "Kya alternative hai?"
- "24 hours baad main kya sochonga?"

STEP 4: RESPOND (Jawaab do)

- Clear aur calm response
 - "Na" bolo agar chahiye toh
 - Explanation optional hai
 - Repeat agar zaroorat ho
-

Decision Lene Se Pehle Kya Sochna Hai:

1. "Kya main yeh khushi se kar raha hoon ya majboori mein?"
 2. "Agar koi third person hota, toh main unhe kya advice deta?"
 3. "Kya mujhe time diya ja raha hai sochne ka?"
 4. "Kya meri 'na' respect ho rahi hai?"
 5. "Inka kya fayda hai isme?"
-

Emotion vs Logic Separate Karna:

Emotion Feel Kar Raha	Logic Check Karo
Guilty	"Maine actually kya galat kiya?"
Fear	"Realistically kya hoga?"
Obligated	"Kya yeh meri zimmedaari hai?"

Rushed	"Kyun nahi soch sakta?"
Confused	"Facts kya hain?"

5. 💪 POWERFUL SENTENCES

Jab Koi Pressure De:

- "Guilt se convince nahi hota main."
- "Maine jo kiya tha, wo dil se kiya. Iska invoice mat bhejo."
- "Mere liye karna teri choice thi, mujh par dabaav mat daalo."

Jab Jaldi Decision Maange:

- "Jo cheez aaj hi leni hai, wo mujhe nahi chahiye."
- "Agar genuine hai toh kal bhi available hogi."
- "Meri pace meri marzi."
- "Rushed decisions se pehle regret hota hai."

Jab Boundaries Cross Kare:
